University Extension

## About the workshop

# Hog Margin Maker

This is a hands-on workshop for pork producers covering price risk management tools for pork producers.

With tight margins due to hog price volatility and rising feed costs, this workshop offers a timely opportunity to learn strategies to help survive these times.

### **Workshop highlights:**

-- Education and examples of hedging, options, Livestock Gross Margin and Livestock Risk Protection insurance

-- Understand how these risk management tools work in simulated markets

-- Practice in using these tools to learn for on-farm use.

Iowa State University, in compliance with Title VI and VII of the Civil Rights Act of 1964, Executive Order 11246 as amended, Title IV of the Education Amendments of 1972, Americans with Disabilities Act of 1990, and other federal laws and regulations, do not discriminate on the basis of race, color, national origin, sex, age, religion, disability, or status as a veteran in any of its policies, practices or procedures. This includes but is not limited to admissions, employment, financial aid, and educational services.

## Registration form

Registrations are due 3 days prior to the workshop. A \$25 registration fee is required. The fee will be collected at the event. A meal is included.  
*Remember: IFBF members can attend at no charge with the coupon*
