

PorkBridge

A world of knowledge brought directly to you

What is PorkBridge?

PorkBridge combines electronic materials with live presentations from topic experts by teleconference six times each program year on an every-other-month basis. All session audio is recorded and made available to ensure participants don't miss a thing!

Why subscribe to PorkBridge?

- You'll have access to university and industry professionals with a variety of expertise, during and after the sessions.
- You can take part in this educational opportunity without having to worry about time off from work, travel distance or inclement weather.
- Sessions begin at 11:15 a.m. Central Time and last no more than an hour.
- Each session has a Q&A time following the presentation.

What do I need to participate?

- Telephone access to call in for live session presentations.
- Valid email address to receive links to download each session's materials.

Registration deadline to ensure first session materials access:
January 20, 2021
