For ten years, SowBridge has provided producers and other industry professionals across the U.S. and around the world with relevant and timely information related to boars, sows and their litters. SowBridge combines electronic materials with live presentations from topic experts by teleconference 12 times each program year on a monthly basis, and offers access to the recorded audio of all sessions to ensure subscribers don’t miss a thing!

**Wednesdays**
- February 3
- March 2
- April 6
- May 4
- June 1
- July 6
- August 3
- September 7
- October 5
- November 2
- December 7
- January 4, 2017

Sessions begin at 11:30 a.m. Central Time and last about 45 minutes.

Cost is just $250 (U.S.) for program year. Additional subscriptions from same operation are half that cost. Ask about cost for those outside the U.S. and Canada.

**Subscription deadline is January 10, 2016.**

Subscribe now to ensure your spot!

Is SowBridge right for you? Here’s what past participants have told us:

“It gives myself and my employees a chance to hear some views outside of our usual group of peers. It also helps us better understand why we do what we do to make sure our product is safe and the consumer is confident that it is safe.”

“Improved productivity is the ultimate benefit. From SowBridge, we hope to get ideas for practical improvements.”

“I appreciate being able to listen/view after the live program.”

“We use them for staff training and sometimes use them several times and review them later.”

“Employees can learn without having to leave the unit.”

“Getting up to date information on an interesting range of pig topics.”

“Helps us by keeping us up to date on the newest ideas for health and production.”

“Keep up the great work!”

“It was all very easy, I do especially like the CD so we can go back and review or share with others on our farm!”

**More comments from our participants**

- “It’s available at my desk!”
- “Great source of up to date information from experts!”
- “The fact that all the material can be gathered at the farm and we no longer need to get the cd by mail. One less item to enter into the facility.”
