

SowBridge combines electronic materials with live presentations from topic experts by teleconference 12 times each program year the first Wednesday of the month (typically), and offers access to the recorded audio of all sessions to ensure subscribers don't miss a thing!

How does the program work?

- You'll have access to university and industry professionals with a variety of expertise, during and after the sessions.
- You can take part in this educational opportunity without having to worry about time off from work, travel distance or inclement weather.
- Sessions begin at 11:15 a.m. Central Time and last no more than an hour.
- Each session has a Q&A time following the presentation.

What do I need to participate?

- Telephone access to call in for live session presentations.
- Valid email address to receive links to download each session's materials.

Registration deadline to ensure receipt of materials for first session:

January 20, 2021

SowBridge is brought to you by swine faculty and staff from these colleges and universities.

Casper College (Wyoming)

Iowa State University

Kansas State University

Michigan State University

North Carolina State University

North Dakota State University

Pennsylvania State University

Purdue University

South Dakota State University

Texas A&M University

The Ohio State University
