Global Risk Has Never Been Higher

Professor Dermot Hayes, Iowa State University Economics

TOPIC: Potential factors that could cause a change in pork demand. To know and understand the global risk has become critically important to swine industry producers and allied industry. Their future now depends on it.

Lee Schulz, ISU Extension Marketing Specialist

TOPIC: Swine marketing outlook and planning. Any risk management plan must have a roadmap. Lee will discuss the current swine market situation & outline current risk management factors to consider.

Ron Mortensen & Marv Carlson, Dairy Gross Margin, LLC

TOPIC: Understanding the USDA’s Risk Management Agency’s program including Livestock Gross Margin (LGM), and Livestock Risk Protection (LRP).

Dave Stender, ISU Swine Field Specialist

TOPIC: Production planning for seasonal prices

Melissa O’Rourke, ISU Farm Management Specialist

TOPIC: Farm management update

Two Locations to choose from Tuesday, July 3 (2.5 hour workshops):

-- 9:30 a.m. at Northwest Community College, Building C, Room 341 in Sheldon (Highway 18 west of Sheldon)

-- 1:30 pm at Iowa Lakes Community College, Room 817 in Emmetsburg (use the east entrance)
