Pork Quality Assurance Plus® Advisor Qualifications

Qualifications for attending a session to become a Pork Quality Assurance Plus® Advisor are:

1. Being a veterinarian, an Extension Specialist, **or** an Ag Educator (for the purposes of PQA Plus®, the definition of an ag educator is a person who spends full time in adult education or at least 50% time in production training) **and**
2. Having a D.V.M. or B.S. in Animal Science, or an equivalent combination of education and swine production experience as determined by the PQA Plus trainer reviewing the application, **and**
3. Having two years of recent documentable swine production experience.

(Application continues on next page.)

I qualify for attending a Pork Quality Assurance Plus® Advisor training session by being:

☐ Extension Specialist ☐ Veterinarian ☐ Ag Educator

☐ B.S. in Animal Science (or equivalent) ☐ DVM

Degree obtained from (institution and year)_____

If applying as an Ag Educator, please provide a complete description of how your job satisfies the Pork Quality Assurance Plus® definition of an Ag Educator.

If you are applying for the equivalent combination of education and swine production experience (instead of a D.V.M. or B.S. in Animal Science), please provide a complete description of your relevant education and swine production experience.

Describe how you satisfy the Pork Quality Assurance Plus® Advisor requirement of two years of recent documentable swine production experience.
