

More Tools for Your Toolbox

ISU Extension Area Swine Specialist

Iowa State University Extension and Outreach has five area swine specialists across the state ready to help you solve production problems and provide practical solutions. They aim to promote and enable efficient pork production by disseminating decision-impacting information to producers.

The Day's Schedule

Each regional conference will have:

- 9 a.m. to noon — PQA Plus® Training
- Lunch on your own
- 1 to 5 p.m. — Educational Sessions

Registration

To register for either PQA Plus® training and/or the afternoon conference,

- Call IPPA at 800-372-7675
- Email bsmeby@iowapork.org
- Online at www.iowapork.org/regionalconferences

Please indicate whether you'll attend both training and educational sessions, or just one of those.

Topics and Speakers

National Pork Board Updates

Dr. Brett Kaysen, senior vice president of producer and state engagement, will share program updates regarding work in domestic and international markets, as well as success in foreign animal disease prevention and preparedness.

Dr. Brett Kaysen

Pork Market Outlook

Dr. Lee Schulz
Extension Livestock Economist
Iowa State University

Dr. Lee Schulz

Dr. Schulz will summarize the current supply and demand situation, draw implications for hog and pork markets, and outline a series of broader issues shaping the marketplace.

Hot Topics in Swine Health

Dr. Chris Rademacher
Swine Extension Veterinarian
and Clinical Professor
Iowa State University

Dr. Chris Rademacher

Explore new disease surveillance tools available to producers and what's new with PRRS, PED, and E. coli, as well as some emerging diseases. Also get tips on preparing your farm for a foreign animal disease outbreak.
